630.392.9084 | simas.zavistauskas@gmail.com | [LinkedIn](#) | San Francisco, CA

SUMMARY

Growth operator with experience across GTM, sales, and product, including three years in payments and fintech at JPMorgan. Most recently helped build three new acquisition channels and the automation behind them while closing \$718K across 64 deals. Comfortable moving between growth strategy, hands-on execution, sales, and technical systems.

WORK EXPERIENCE

Lighthouse | Founding Growth Lead

San Francisco | March 2026 – Present

- Built GTM across 3 new acquisition channels spanning outbound, paid acquisition, and lead magnets, owning ICP development, qualification, conversion paths, and supporting automation
- Built 10 trigger-based outbound workflows across n8n, Apollo, Perplexity, HubSpot, and Instantly to automate prospect identification, enrichment, qualification, and outreach
- Led 5 engineers to automate AI-powered lead qualification, reducing manual review from ~5 minutes per lead to seconds while standardizing scoring, routing, and sales handoff
- Built and launched paid search acquisition, developing the landing pages, qualification logic, campaign structure, and CRM handoff behind the channel
- Closed \$718K across 64 deals in ~4 months, with a 44.8% win rate across qualified opportunities
- Trained and onboarded 2 sales hires, establishing qualification standards, sales processes, and operating cadence

JPMorgan | Lead Product Manager, Payments

San Francisco | August 2023 – March 2026

- Led API credential automation and developer tooling, cutting enterprise integration time from 2 weeks to 3 days across 4,000+ clients
- Built new onboarding models supporting 2,800+ client ecosystems, eliminating manual setup for complex enterprise and partner structures
- Built analytics infrastructure across 500M+ monthly API events; launched KPI frameworks adopted by the sales and marketing teams within the Payments ecosystem
- Identified \$1.5M in annual savings through platform consolidation; led 3 engineers + 1 designer to ship tooling that increased productivity 40% and secured \$2M in continued funding

Tesla | Seasonal Sales Advisor

Chicago | April 2023 - May 2023

- Ranked in the top 10% of regional sales; generated \$1M in product revenue in two months

Beckway Ventures | Analyst

New York City | September 2022 – April 2023

- Conducted TAM/SAM market sizing, competitive landscape analysis, and growth modeling for venture-backed portfolio companies to inform investment and capital allocation decisions
- Partnered with founders and operating teams on go-to-market refinement and strategic growth initiatives
- Managed internal communications and investor-facing materials, created a “Venture Deals” newsletter that reached 250+ readers across internal and external portfolio company senior leadership teams

EDUCATION

University of Illinois, Chicago | Finance and International Business

2023

- Finance & Investment Group (President), five94' Marketing Solutions (President), Baltic Club (President), TransUnion Leadership Scholar
 - five94' Marketing Solutions: Student run marketing consultancy serving 5 Chicago businesses; generated 100k+ incremental client revenue over 3 years
